CAPABILITY STATEMENT

LOD specializes in providing a full range of language/staffing services to federal government agencies. We provide agile, responsive, low-risk, and cost-effective solutions for translations, interpretations, American Sign Language (ASL) interpretations/CART reporting, bilingual professional staffing, transcriptions, language instruction and cultural training services. LOD executes each project on time with the highest degree of accuracy and diligence within budget. LOD is a GSA Schedule holder and ISO9001:2015 Quality Management/17100:2015 Translation Services certified, Commonwealth of Virginia DMBE, and SBA Certified Minority-Owned firm.

CORE COMPETENCY

- **Translation and Interpretation:** LOD translators exhibit excellent attention to detail to capture the nuanced challenges of cross-cultural communication to convey the integrity of source documents. Our 3-tier review system using the ASTM International F2575-14 Standard Guide for Quality Assurance in translation provides an in depth review process that assures quality on each document. LOD interpreters with real-world experience provide technical expertise that adds to the interpretation quality for various industries. Our team of dedicated project managers engage in clear and open communication with clients from start to finish.
- **Language Instruction and Culture Training :** LOD’s language instruction and cultural awareness training programs cater to the specific needs of each client, assuring client’s success domestically and internationally. LOD provides classes with various learning environment such as in-class learning, e-learning, private and group language instruction in over 30 different languages. We also provide customized cultural awareness training and materials for over 100 countries tailored to client’s specific needs.
- **Intelligence Analysts Staffing:** Our analysts are meticulously matched with client requirements to ensure mission success in national level intelligence operations. LOD analysts can cover various fields such as linguistics, cryptology, national security, and counterintelligence.
- **ASL and CART Reporting:** LOD delivers the highest-quality communication services to meet the needs of Deaf and Hard-of-Hearing individuals. Our interpreters are professionals, possessing certifications from the National Registry of Interpreters for the Deaf (RID) and the National Association for the Deaf (NAD). LOD provides ASL & CART Reporting services to accommodate the hearing-impaired audience in a variety of settings including; meetings, trainings, and conferences.
