1. Company Overview

Language on Demand, Inc. (LOD) is a small disadvantaged business with extensive experience providing language translation, interpretation, transcription, bilingual staffing, language/culture training, desktop publishing, and related services to the U.S. Government. Our clients served include the Defense Intelligence Agency, the Department of State, the Office of Military Commissions, the U.S. Department of the Navy, the Department of Homeland Security, the Department of Transportation, the U.S. Department of Housing and Urban Development, the Department of Justice, the Food and Drug Administration, the Nuclear Regulatory Commission, and more.

LOD offers experience-based solutions for various translation, interpretation, and language instruction needs, in over 130 foreign languages to U.S. Government agencies, global corporations, professional associations, law firms, and more. Our quality-driven approach and skilled professional linguists guarantee effective project management and high-quality linguistic services. LOD strives to achieve language services that go beyond word-by-word translation to capture cultural nuances and transfer the original meaning to the target audience effectively without compromising the integrity of the communication. We understand the nuanced challenges of cross-cultural communications – it is at the core of how we differentiate from other language companies.

Over the past 12 years, LOD has established a trusted partnership with the U.S. Government, supporting its agencies' missions domestically and abroad through technical excellence in linguistic services and the highest quality standards for client service. LOD has successfully fulfilled over 200 contracts for federal agencies, garnering over 90 exceptional evaluation ratings in CPARS. To date, LOD has fulfilled all federal government contracts with a 100% fill/retention rate.

To assure the highest quality language services, LOD uses certified linguists who are native speakers of each targeted language and possess a minimum of five years of relevant professional experience. We further ensure the most accurate translations with our attention to detail via a proven and vigorous three-tier quality assurance system. LOD is ISO 17100:2015 Translation Services certified, ISO 9001:2015 Quality Assurance certified, and adheres to and promotes the ASTM International F2575-14 Standard Guide for Quality Assurance in Translation and the ASTM International F2089-15 Standard Practice for Language Interpreting.

3. Services

3.1. SIN 541930: Translation and Interpretation Services

Language on Demand, Inc. (LOD) provides written language translation services, oral language interpretation services, and services to facilitate communication with and by persons who have vision or hearing impairment. LOD provides linguists with security clearances upon request.

Translation

LOD provides written translation services between English and over 130 foreign languages. LOD has a wealth of experience providing accurate and complete translations of highly complex materials, including military, legal, scientific, and technical documents. Examples of our previous work include over 27,000 pages of technical document translations for submission to the United States Patent and Trademark Office and for use during patent infringement depositions; translations of over 400 pages of documents on missile defense systems for a defense contractor; and document translation services for the Department of Justice for over 56 extradition cases that required desktop publishing and use of camera-ready tools.

- Translation Project Management
- Document Review and Quality Control
- Document Translation
- Data Analysis of Translated Materials
- Transcription (Open Market Item)
- Sight Translation
- Desktop Publishing

Interpretation

LOD provides interpretation services to help federal and local governments conduct domestic and international missions requiring oral language interpretation. LOD employs linguists who possess the optimal combination of native language proficiency, cultural knowledge, industry certifications, academic credentials, and practical experience in specific fields. Over 85% of our linguists have a Master's degree in translation and/or interpretation from graduate schools accredited for their linguistic programs. Many of our language specialists possess security clearances with the U.S. Department of State that enable them to carry out vital missions for the U.S. Government.

- Interpretation Project Management
- Linguist Screening and Recruiting
- Simultaneous Interpreters
- Consecutive Interpreters
- Court Interpreters
- Medical Interpreters
- Escort Interpreters
- Telephonic Interpreters

- Voiceovers
- Conference Interpretation Equipment Services (Open Market Item)

American Sign Language and Communication Access Real-time Translation (CART) Reporting Services

LOD provides ASL and CART services to facilitate communication with and by persons who are considered to be deaf or hard of hearing. LOD's sign language interpreters are skilled in working expressively and receptively between spoken English and American Sign Language, Signed English, Manually Coded English, Contact Sign, Pidgin Signed English, and other commonly used American Sign Language Systems as well as oral transliteration. LOD provides both in-person and video remote sign language interpreting services. LOD's sign language interpreters and CART reporters are certified and qualified to provide accurate and professional services.

- Conferences, Presentations, and Training Sessions
- Discussions Requiring Domain-Area Expertise: Human Resources, Military, Technical, Science, Finance, Business, IT, Legal, Medical, etc.
- Scheduled and Impromptu Meetings
- Meetings and Discussions Requiring Security Clearances

Braille and Reader Services

LOD provides braille, reader services, and note-taking services to facilitate communication with and by persons who are visually impaired. LOD provides translation of documents into braille, and transcription of braille documents. Reader and note-taking services typically entail assisting visually impaired persons with various workplace activities, including computer assistance for document creation, formatting, and printing; reading and replying to emails and calendar invitations; meeting preparation and note-taking; and other assistive duties.

3.2. SIN 611630: Linguistic Training and Education

LOD's Linguistic Training and Education Services include customized or standardized off-the-shelf Foreign Language training courses at on and off site locations in classroom, private, semi-private, tutorial and in-country immersion forums. LOD also provides on-line virtual learning in classroom format and via one-on-one instruction. LOD's instructional training is tailored to various language proficiency levels, with pre-, mid-, and post-testing included to measure student progress. LOD provides educational material in publication, software, audio and video formats.

- In-Person and Virtual Language and Cultural Instruction
- Off-the-shelf Foreign Language Training
- Language Proficiency Assessment and Testing
- Customized Curriculum Development
- Language and Cultural Instruction Materials
- Cultural Role-Player Exercises
